## Together We Are North

September 28, 2018

Dear Friend of North,

The word *stewardship* encompasses three critical elements of our church life. The first element is the *time* we spend working, perhaps on a church committee, helping to lead worship, or volunteering in one of our outreach projects. The second element is the *talent* we devote to something we do well like singing in the choir or teaching Sunday school. At this point every year, our focus shifts to the third element, sharing our *treasures*.

Developing the 2019 operating budget requires Session's time, energy, reflection, prayer, and yes, faith in the outcome. Just as you consider your financial needs for the coming year, North Church must undergo the same process. The church must be able to deal with the anticipated and unanticipated aspects of our financial landscape, and your support is important.

The stewardship theme this year is *Together We Are North*. By embracing this theme and sharing your time, talent, and also your treasure, North will continue to be a vibrant community of Christians in 2019 and for many years in the future. Enclosed is information about the church's finances that will help you gain a clear picture of upcoming needs and expenses.

Dedication Sunday will be **October 28**. Please bring the enclosed pledge card with you to church or mail it using the enclosed envelope. We look forward to partnering with you now and in the future as we seek to ensure that we remain a vibrant community of believers. If you have questions or comments, please reach out to any of us.

In faith, hope, and service

*P.S. If you're unable to make a financial pledge this year, perhaps you will decide to commit to sharing your time and/or talents. We invite you to use the pledge card and come to the October 28 Dedication Sunday.*
